

UPLIFT

LEGAL INSTITUTE FOR TEENS

UPLIFT Legal Institute for Teens is a non-profit focused on promoting equal access to justice, academic excellence, and opportunities for BIPOC and underserved students in Twin Cities middle schools through our mock trial program.

UPLIFT offers students engaging opportunities to learn from volunteer attorneys about the legal profession, criminal justice, and the court system. The program culminates in criminal mock trials before actual Minnesota judges at the University of Minnesota Law School. To help UPLIFT students look and feel the part, a “Borrowing Closet” is presented to them offering a variety of courtroom attire to be worn during the mock trial.

We kindly ask for NEW or GENTLY USED suits, ties, and dress shirts for our student “Borrowing Closet” at the following event:

TCDIP General Members Meeting

November 30, 8:00 - 10:00am

Cargill, Inc. 15407 McGinty Rd. W, Wayzata, MN

If you do not have any suits to donate, you can make a charitable donation to the closet by scanning the code below.
